VI. The procedure for registering applications and documents for participation in the competitive selection for training at professional pre-higher education institutions

1. Applicants for training at professional pre-higher education enrolling on the basis of BSE, CGSE, SW register applications:

only in electronic form (through the electronic account in USEDE on the website at <https://vstup.edbo.gov.ua>), except for the cases specified in this paragraph;

in paper form only (due to the impossibility of signing up in the applicant's personal electronic account);

in the case of submission of a foreign educational document;

in the case of submission of documents by foreigners and stateless persons, except for persons with a permanent residence permit of Ukraine, and persons with an identification card of a person in need of additional protection or a refugee identification card;

in the case of submission of a document on previously obtained education (basis of admission), information on which is not available in USEDE, provided that the education documents were issued before the introduction of photopolymer technologies for their production;

in case of inability of signing up in an electronic account or submit an application in electronic form for other reasons, which is confirmed by a reference of the ADMISSIONS COMMITTEE OF THE COLLEGE in an arbitrary form.

Applicants individually create a personal electronic account of an applicant in USEDE in the consultation centre of any educational institution:

in case of discrepancies in the data of the applicant in USEDE (surname, first name, patronymic (if available), date of birth, sex, citizenship, etc.);

in the document on previously acquired education (basis of admission);

in the data of NMT participants.

The data specified by the applicant, provided for in paragraph 1 of this section, are checked in USEDE. A comparison of the applicant's data in the education document provided in the Register of Education Documents of the USEDE with the data of the NMT certificate is carried out, and in case of their absence – with the data on the identification card contained in the card of an individual in the USEDE or indicated in the order of the document on basic, complete general secondary education.

If this data matches, a message is sent to the e-mail address specified by the applicant to activate the applicant's personal electronic account. In the case when USEDE already has information about a person with the same data (surname, first name, patronymic (if available), date of birth), the applicant additionally indicates the data of one of the documents provided in USEDE (series (if available) and number of the education document or identity document). In case of data discrepancy, the applicant receives a respective information message regarding the procedure for eliminating the discrepancy.

Activation of the applicant's personal electronic account in USEDE provides the applicant with the opportunity to access the applicant's personal electronic account on the website at the e-mail address <https://vstup.edbo.gov.ua/>. Access to the applicant's personal electronic account is provided by login and password specified during registration. In case of an unsuccessful attempt to enter the applicant's personal electronic account, a respective message is sent to the e-mail address specified during registration.

In the personal electronic account, the applicant enters the contact phone numbers (mobile number of the applicant, and/or mobile number of one of the parents or legal representative of the minor, and/or home number) with the indication of telephone codes in international format for the possibility of prompt communication of the institution of professional pre-higher education with the applicant, and also downloads a colour photo up to 1 MB in .jpg format with an aspect ratio of 3 x 4.

Before submitting the first application, the applicant can replace the entered phone numbers. If necessary, the applicant enters additional documents about the previously obtained education, data of the NMT certificate of different years in accordance with the ADMISSION RULES.

Applicants may submit in total up to five applications on all bases of admission for places of state order and up to fifteen applications for all sources of funding.

2. Other categories of applicants, except those specified in clause 1 of this section, submit applications only in paper form.

3. The application in electronic form is registered by the applicant by filling out the electronic form online and is considered by the ADMISSIONS COMMITTEE OF THE COLLEGE in the manner determined by law.

During registration, the applicant enters the following data:

The email address to which the applicant has access. The specified address will be the login for the applicant's personal electronic account;

Password for the personal electronic account;

The series and number of the document (one of the documents) about the previously obtained education (the basis of admission);

Number, PIN and year of the national multi-subject test certificate. If data from different years and exams are available, any of the admission provided for use on the appropriate basis is indicated, determined by these ADMISSION RULES;

Type and number of the identity document or registration number of the taxpayer's registration card (RNTRC) (in the absence of a national multi-subject test certificate);

Details of documents certifying the grounds for special conditions for participation in the admissions campaign, information about which is available in state registers.

The personal electronic office of the applicant may be blocked by the technical administrator of the USEDE in case of detection of a compromised login (at the request of the Government Computer Emergency Response Team of Ukraine CERT-UA) specified by the applicant when registering the electronic office of the applicant.

4. The applicant submits the application in paper form in person to the ADMISSIONS COMMITTEE OF THE COLLEGE (with the consent of the educational institution or in the case of the applicant's residence in the temporarily occupied territory of Ukraine or the areas of active hostilities – remotely using electronic means of communication). The information of each application is registered in paper form by an authorized person of the ADMISSIONS COMMITTEE in USEDE on the day of acceptance of the application (with appropriate notes in the case of remote submission of the application). Due compliance with the requirement to identify an individual who remotely submits an application in

paper form is considered electronic identification of an individual who submits such documents using an electronic signature based on a qualified electronic signature certificate.

The requirement to use an electronic signature based on a qualified electronic signature certificate does not apply to persons staying in the temporarily occupied territories of Ukraine. IX. Rating lists of applicants and recommendations for enrolment

1. The rating list of applicants to places of state order is formed by categories in the following order:

applicants who have the right to enrol based on the results of a passing grade of the entrance examination for the places of the state order;

applicants who are entitled to enrolment under general conditions.

When conducting a competitive selection, the rating list is built based on the results of entrance examination and the results of the evaluation of motivational letters, in accordance with the ADMISSION RULES.

2. The rating list of applicants is organized within each category specified in paragraph 1 of this section:

by rating score from greater to lesser;

in cases of receiving the same rating score - according to the results of the review of motivational letters.

3. The rating list of applicants shall specify:

surname, first name, patronymic (if available) of the applicant;

Applicant's rating score;

an indication of grounds for enrolment based on the results of a passing grade of the entrance examination for the places of state order;

educational professional degree, speciality, name of the educational offer, form of education.

Surnames of applicants whose place of residence is a temporarily occupied territory, the territory of settlements on the line of contact, the administrative border, a particularly dangerous territory (who are not registered as internally displaced persons) or have moved from it after February 24, 2022, are subject to encryption in all information systems at their request.

4. Rating lists are formed by the ADMISSIONS COMMITTEE from USEDE.

5. Lists of applicants recommended for enrolment by fundings of the state budget (by state order) for each educational offer are formed by the ADMISSIONS COMMITTEE according to the USEDE data and approved by the decision of the admissions committee.

The list of applicants recommended for enrolment shall contain the same data as the rating list of applicants in accordance with paragraph 3 of this section.

6. The lists of those recommended for enrolment are updated after applicants have fulfilled/failed to fulfil the requirements for enrolment, taking into account their order of priority in the rating list of applicants.

7. The decision of the ADMISSIONS COMMITTEE on the recommendation for enrolment is reflected in the USEDE.

Applicants recommended for enrolment are notified by means of electronic and mobile communication in accordance with the ADMISSION RULES.

X. Exercise of the right of applicants to choose a place of study

1. Persons who have received a notification in the electronic account about a recommendation for enrolment for places of state order, within the timeframes specified in Chapter V of the ADMISSION RULES, can confirm the choice of one place of study in the electronic account or (in the absence of an electronic account) in person in the educational institution or by means of electronic communication with qualified electronic signature.

The basis for enrolment is confirmation of the choice of the place of study, compliance with the requirements of the ADMISSION RULES and the conclusion of an agreement on the provision of educational services between the educational institution and the applicant (with the participation of parents or legal representatives – for minor applicants), which may detail the rights and obligations of the parties. The contract on the provision of educational services can be concluded remotely with qualified electronic signatures.

Persons whose place of residence is registered (declared) in the temporarily occupied territory and reside in it can conclude an agreement on training within three months after the start of training, and its absence does not hinder the enrolment order.

Such persons may conclude the agreement remotely without the qualified electronic signatures, sending the digitized (scanned, photocopied) signed agreement by means of remote communication.

Otherwise, the enrolment order is cancelled in terms of enrolment of such a person.

2. In the case of enrolment by fundings of individuals and/or legal entities, an agreement (contract) is additionally concluded between the educational institution and the individual or legal entity that orders a paid educational service for themselves or for another person, assuming financial obligations regarding its payment.

3. Persons who were recommended for enrolment for the places of the state order under one or more educational offers and did not confirm the choice of the place of study under one of them within the timeframes specified in Chapter V of this Procedure lose the right in the current year to enrol in studies under the state order or transfer to such places. After confirming the choice of the place of study, applications for places of state order under other educational offers are considered in USEDE to be applications only for places by fundings of individuals and/or legal entities, a change in the choice of place of study under state or regional order is not allowed.

After submitting an enrolment order to the USEDE, all other applications of the applicant are deactivated, but can be renewed by the applicant in the status of applications only for places funded by of individuals and/or legal entities.

4. The procedure for confirming the choice of the place of study by fundings of individuals and/or legal entities is determined by the ADMISSION RULES and provides for confirmation of the choice of the place of study in the applicant's electronic account.

An agreement (contract) on the provision of educational services between an educational institution and individuals or legal entities, in the case of enrolment by fundings of individuals and/or legal entities, is concluded after the issuance of an enrolment order. If the contract is not concluded within ten calendar days (three months for applicants whose place of residence is registered (declared) in the temporarily occupied territory and are residing there) from the date of issuance of the enrolment order, then this order is cancelled in terms of enrolment of such a person.

5. In the case of enrolling in studies for the educational professional degree of a professional Associate of a person who in the past obtained such an educational professional degree or a degree of higher education, and the corresponding degree was not awarded, the person is considered to be obtaining a level of education that is not higher than the previously obtained level of education in the order defined by the second part of Article 10 of the Law of Ukraine «On Education».

XI. Adjustment of the list of persons recommended for enrolment

1. THE ADMISSIONS COMMITTEE cancels previously provided recommendations to applicants who have not confirmed the choice of the place of study within the period specified for fulfilling the requirements for enrolment at the places of state order in Chapter V OF THE ADMISSION RULES, or have not fully provided the grounds for enrolling a person in the studies provided for in Chapter X OF THE ADMISSION RULES.

2. The procedure for adjusting the list of persons recommended for enrolment to places by fundings of individuals and/or legal entities is determined by the ADMISSION RULES.

XII. Transfer to vacant places of the state order of persons who are enrolled in training by fundings of individuals and legal entities

1. The COLLEGE provides recommendations to applicants within the form of education and places (except for contract-only educational offers) who were provided with recommendations for admission to the COLLEGE in the relevant speciality, in the manner specified in clauses 6, 7 of section IX OF THE ADMISSION RULES, and cancels them in the manner specified in clause 1 of section XI OF THE ADMISSION RULES.

2. The transfer to vacant places of the state order of persons who are enrolled in training by fundings of individuals and/or legal entities is carried out in the following order:

persons specified in clause 4 of section VIII OF THE ADMISSION RULES, if documents confirming the right to special enrolment conditions are available;

persons who have not received a recommendation for enrolment at the places of the state order in accordance with the procedure provided for in Clause 5 of Chapter IX OF THE ADMISSION RULES.

The transfer to vacant places of the state order of the persons specified in the third paragraph of this clause is carried out in the absence of untransferred persons of the previous category or in the case of their written refusal to transfer and in an order from a higher to a lower place in the rating list within each of the specified categories.

3. In the lack of a sufficient number of places for the transfer to vacant places of state order of the persons specified in the second and third paragraphs of clause 2 of this section, the COLLEGE uses vacant places of state order from other specialities in this field for this purpose. In the future, vacant places in other fields of knowledge, this or another form of education (after the transfer to the vacant places of state order of the persons specified in the second and third paragraphs of clause 2 of this section in the relevant speciality and form of education) may be used for the transfer to the places of state order of the persons specified in the second paragraph of clause 2 of this section, immediately notifying the relevant state customer.

4. Unused places of state order are considered not to be placed in the COLLEGE. The COLLEGE informs the state customer about their number in terms of specialities (specializations) and forms of education. In the lack of a sufficient number of places for the transfer to vacant places of the state order of the persons specified in the second paragraph of clause 2 of this section, the COLLEGE sends a request to the state customer for the allocation of additional places of the state order at the expense of those returned from other institutions. The decision on the use of these places is made by the selection committee of the state customer.

XIII. Enrolment order, additional competition, enrolment by fundings of a targeted preferential state loan

1. Enrolment orders are issued by the PRINCIPAL OF THE COLLEGE on the basis of a decision of the ADMISSIONS COMMITTEE. Orders for enrolment in studies with appendices to them are formed in USEDE and published on the COLLEGE website in the form of a list of those enrolled within the timeframes specified in Section V of the ADMISSION RULES.

2. The decision of the ADMISSIONS COMMITTEE on the enrolment of the applicant is cancelled by the ADMISSIONS COMMITTEE in case of detection of violations on the part of the applicant, specified in clause 5 of section XVI OF THE ADMISSION RULES, enrolment order is cancelled in terms of enrolment of such a person.

3. Enrolled persons may be excluded from the order of the enrolment (the enrolment order shall be amended regarding that person) to the COLLEGE of their own free will, expelled from the COLLEGE of their own free will, in such cases persons shall be returned the documents submitted by them no later than the next day after submitting an application for expulsion based on the order of the DIRECTOR OF THE COLLEGE.

4. If a person has not started classes without valid reasons within 10 calendar days from their beginning, the enrolment order is cancelled in terms of this person.

5. A special competitive selection may be made for the vacated place(s) in accordance with the procedure provided for in clauses 2-4 of this section, taking into account the sources of funding from among the persons who participated in the competition for this educational offer. In the lack of such applicants for the vacated places, it is allowed to enrol persons from the COLLEGE's educational offers, provided that the interview subjects match by transferring the application (with the person's consent) to another educational offer.

XIV. Requirements for ADMISSION RULES

1. ADMISSION RULES in 2025 are developed in accordance with the legislation of Ukraine, approved by the Academic Council of the State University of Intellectual Technologies and Communications and the Pedagogical Council of the COLLEGE, posted on the COLLEGE website and

type of requested accreditation (permanent, temporary).

The application shall be accompanied by:

a photo of each person specified in the application in electronic form;

a copy of the document confirming the applicant's profession.

Each accredited person is issued a license – an accreditation card, which indicates the surname, first name, patronymic, media name, job title (journalist, technical media representative (operator), no later than five days after the submission of documents for accreditation, which is valid only if a document certifying identity is available.

The accreditation card gives media representatives the right to be present at the meetings of the ADMISSIONS COMMITTEE. Number of media representatives shall be no more than two representatives from each accredited media.

Information about the time and place of meetings of the ADMISSIONS COMMITTEE is announced to accredited persons after a request to the college office.

Accreditation is terminated in the case of: violation of the laws of Ukraine, conditions and general mode of operation of the ADMISSIONS COMMISSION, establishment in court of facts of dissemination of false information that has caused damage to business reputation, honour and dignity of individuals and legal entities, property, dissemination of information that does not correspond to reality, expiration of the term of temporary accreditation, violation of the Regulations and Rules of the College's internal regulations.

Disputes that arise in connection with the coverage of the work of the ADMISSIONS COMMITTEE by the media shall be resolved in accordance with the procedure established by the current legislation of Ukraine.

2. Public organizations can apply to the Ministry of Education and Science of Ukraine with an application to grant them the right to observe the work of the ADMISSIONS COMMITTEE. Public organizations to which such a right has been granted by the Ministry of Education and Science of Ukraine may send their observers to the meetings of the admissions committees. THE ADMISSIONS COMMITTEE is obliged to create appropriate conditions for the presence of public observers at its meetings, as well as to provide them with the opportunity to familiarize themselves with the documents provided to the members of the committee before the meeting.

3. The COLLEGE is obliged to create conditions for familiarizing applicants with a license to carry out educational activities, certificates of accreditation of the relevant speciality (professional curriculum). ADMISSION RULES, information on the licensed volume and volume of admissions by state order for each educational offer (speciality, professional curriculum), including the number of places allocated for admission under quotas, are published on the COLLEGE website no later than the working day following approval/agreement or receipt of relevant information.

4. The head of the ADMISSIONS COMMITTEE shall announce the meeting of the committee no later than the day preceding the day of the meeting, in special cases – no later than three hours before the start of the meeting. The announcement together with the draft agenda of the meeting is published on the COLLEGE website.

5. Submission by the applicant of unreliable personal data, unreliable information about the previously obtained education, about the right to special admission conditions, about participation in student Olympiads, about passing an external independent assessment, about an employment contract for obtaining education in the dual form is grounds for cancelling the enrolment order in the part that concerns this applicant.

6. Informing the public about the licensed volume, the volume of places financed by the state order, the cost of education in specialities (specializations, professional curriculum), persons (surnames and initials) who submitted applications for admission, their recommendation for enrolment and enrolment in institutions of professional pre-higher education is carried out on the basis of USEDE data through section «Introduction» of the USEDE website at the e-mail address: <https://vstup.edbo.gov.ua/>, as well as information systems (according to contracts, concluded by the owners (managers) of such systems with the technical administrator of USEDE).
